

## **Donald Theiler**

Don Theiler joined the King County Wastewater Treatment Division in 1997. He is the Director of the wastewater treatment program for the greater Seattle metropolitan area with overall responsibility for the transport and treatment of wastewater from 34 cities and utility districts in the Seattle area. From 1980 to 1997 he served as Director of the Bureau of Air Management in the Wisconsin Department of Natural Resources in Madison Wisconsin. He is on the Board of Directors for the National Association of Clean Water Agencies (NACWA formerly AMSA) as well as serving on the Board of Directors for the Clean Air Agency representing King County Executive Ron Sims.
